TRAVELING THROUGH THE TASTEFULLNESS

Familiar faces in the world of fashion, art, industry, show business and the Jet Set, among which are Maria Luisa Trussardi, Marinella Di Capua, Clara Catelli, Berta Guerrieri, Michela Bruni Reichlin, Carla Tolomeo, Cristina Morozzi, Carla Nani Mocenigo, Monica Nascimbeni, Marcella Jovine Crespi, Alessandra Chiodi Daeli, Alberto Giordanetti, Adriano Teso, Adalberto Alberici, and Pierre Picavet for the event “Alchimie di Stile - Gioielli, Design e Percorsi Astrali” (“Alchemies of Style – Jewels, Design and Astral Trajectories”) held at the Curiosity Showroom. The young talent, Alessandro Enriquez, with journalist Virginia Ricci, presented the volume “10x10 an Italian Theory”, a journey through the “taste” of 10 famous people. An exclusive event made even more precious by Frank de Ville’s macarones and the T’à Alemagna finger food.
