Celebrating Excellence in Fashion

Milan, September 19, 2023

In the heart of Milan, at the majestic Palazzo Marino in Piazza della Scala, a distinguished event unfolded on September 19th, marking the pinnacle of style and innovation in the fashion world. The XXIII edition of the CHI E' CHI Fashion Community Awards, conceptualized and impeccably organized by Cristiana Schieppati, the director of CHI E' CHI, set a remarkable stage for the luminaries of the industry.

Sponsored by the Municipality of Milan and the National Chamber of Fashion, these awards, which traditionally inaugurate the fashion week, were centered around the theme, "Le Grand Tour - Fashion beyond borders." This theme acted as a guiding light for the esteemed jury in selecting the deserving recipients of these prestigious accolades.

The 2023 jury panel comprised luminaries who have left an indelible mark on the world of fashion and style. It included Giampietro Baudo, the Global Executive Director of L'Official Italy, France, and USA, and the honorary member Cav. Work Mario Boselli, President of the Italy China Council Foundation and Honorary President of the National Chamber of Italian Fashion, among others.

In addition to the jury-selected winners, the CHI E' CHI community voted to honor Valentina Ferragni with the Digital Creator Award, while the prestigious BARBARA VITTI AWARDS for the best press office in fashion was awarded to Gabriele Giorgini, Communications Director of Gucci's activities in Florence, and to Chiara Fornari, Enrico Fasoli, and Camilla De Palma for beauty.

The 2023 edition of the CHI E' CHI Fashion Community Awards was made possible by the support of official partners, including Audi, Diana, Filorga, Franciacorta, and Web Eyewear. Condé Nast Italia served as the media partner, with special thanks extended to Westwing for their invaluable contributions.

This year's ceremony not only celebrated outstanding achievements but also reaffirmed Milan's status as a global fashion capital, a city that cherishes innovation, creativity, and the nurturing of emerging talents. The CHI E' CHI Fashion Community Awards continue to be a beacon of excellence, uniting the fashion industry beyond borders, and inspiring future generations of fashion luminaries.
